

## Special Issue

# Accounting for the Circular Economy

### Message from the Guest Editor

In this Special Issue, original research articles and reviews are welcome. Research areas may include (but not limited to) the following:

- Management accounting and internal control for the CE;
- Sustainable product design for material and waste reduction;
- European Union taxonomy reporting and implications for the CE;
- Sustainability reporting with a focus on the circular economy;
- Sustainable business models and strategies with CE components;
- The CE at the municipal level and governmental involvement;
- Monitoring and evaluation for the implementation of CE principles;
- Green transition and innovative solutions for the CE.

We are looking forward to receiving your contributions. For more information, please check the link below:
