Deadline for manuscript
submissions:

closed (30 September 2019)

Message from the Guest Editors

Innovation is an integral part of the entrepreneurial firm's DNA and has been used as part of the definition of the entrepreneurial firm by scholars. While small and medium sized enterprises (SMEs) are the backbone of the world economy (OECD, ACCA), entrepreneurial owner managed firms seems to make the lion part of SMEs engaging in innovation and growth.

All the papers accepted will be published online continuously.

All contributing authors with papers accepted or under review for this special issue will be invited to the CINet Conference for participation at dedicated workshops, tracks and/or symposia during 2019/2020.

an Open Access Journal by MDPI

Message from the Editor-in-Chief

Welcome to *Administrative Sciences*, the journal aims to advance and communicate knowledge concerning management theory and practice both in public administration and in profit organizations; it encourages submissions that build on interdisciplinary research in related fields, such as business, economics, political science, gender studies, psychology, sociology, physiology, communication theory or artificial intelligence and their implications on management, organizations and the society. Join us on a journey through the *Administrative Sciences*, where management merges with innovation.
