Message from the Guest Editors

Dear Colleagues,

The Special Issue is intended to discuss in what way SHRM can overtake the traditional approaches of strategic human resources management in regard to relevant aspects such as people management, leadership, team performance, HRM, workers' behavior and attitudes towards work environments.

Relevant theoretical perspectives might include (but are not limited to):

- *The impact of sustainability on human resource management;*
- *Leadership and sustainability;*
- *Sustainability and relational architecture;*
- *Sustainability and remote workplace relationships;*
- *SHRM and work–life balance;*
- *Responsible leadership;*
- *Green HRM;*
- *Corporate Social Responsibility;*
- *SHRM and diversity;*
- *SHRM and well-being;*
- *Sustainability and HR attraction and retention;*
- *Sustainable work system;*
- *Business Ethics;*
- *Sustainable organization;*
- *Sustainable HR strategy;*
- *Sustainable leadership.*

Message from the Editor-in-Chief

Welcome to *Administrative Sciences*, the journal aims to advance and communicate knowledge concerning management theory and practice both in public administration and in profit organizations; it encourages submissions that build on interdisciplinary research in related fields, such as business, economics, political science, gender studies, psychology, sociology, physiology, communication theory or artificial intelligence and their implications on management, organizations and the society. Join us on a journey through the *Administrative Sciences*, where management merges with innovation.
