Shaping the Quality of the Employee-Organization and the Employee-Work Relations: Assessing the Impacts of Internal Communication

Message from the Guest Editors

Organizations worldwide face tremendous difficulties in finding valid and renewed ways of being productive and economically viable when faced with an economic scenario of high inflation levels and the prospect of an economic recession. In this sense, managers are currently highly pressured to deliver efficient procedures regarding the different areas of the organization.

About the Journal

Message from the Editor-in-Chief

Welcome to *Administrative Sciences*, the journal aims to advance and communicate knowledge concerning management theory and practice both in public administration and in profit organizations; it encourages submissions that build on interdisciplinary research in related fields, such as business, economics, political science, gender studies, psychology, sociology, physiology, communication theory or artificial intelligence and their implications on management, organizations and the society. Join us on a journey through the *Administrative Sciences*, where management merges with innovation.
