

Special Issue

Corporate Social Responsibility and Strategic Management: Integrating Ethical Practices with Sustainable Goals

Message from the Guest Editors

This Special Issue explores the evolving landscape of corporate social responsibility (CSR) in response to the dynamic interplay between business practices, societal expectations, and environmental challenges. As organizations face increasing scrutiny from stakeholders, including consumers, investors, and regulatory bodies, the integration of CSR into core business strategies has become more critical than ever. Contributions in this issue shall examine CSR from diverse perspectives, addressing its role as a driver of sustainable growth, ethical governance, and stakeholder engagement. Topics will focus on the analysis of how businesses can navigate emerging trends such as climate change, social inequality, and digital transformation while maintaining their competitive edge. This Special Issue also highlights the influence of global frameworks such as the United Nations (UN) Sustainable Development Goals (SDGs) in shaping CSR practices and fostering cross-sector collaborations. **Abstract Submission Deadline: 30 November 2025**

About the Journal

Message from the Editor-in-Chief

Welcome to *Administrative Sciences*, the journal aims to advance and communicate knowledge concerning management theory and practice both in public administration and in profit organizations; it encourages submissions that build on interdisciplinary research in related fields, such as business, economics, political science, gender studies, psychology, sociology, physiology, communication theory or artificial intelligence and their implications on management, organizations and the society. Join us on a journey through the *Administrative Sciences*, where management merges with innovation.

Editor-in-Chief

Prof. Dr. Isabel-María García-Sánchez

Department of Business Administration and Economics, Universidad de Salamanca, 37007 Salamanca, Spain
