

Special Issue

Innovative Financing Tools for SMEs

Message from the Guest Editor

In this Special Issue, original research articles and reviews are welcome. Research areas may include (but are not limited to) the following:

- Fintech innovation in small business financing;
- Innovative equity- and debt-side financing tools for SMEs;
- Innovative financing strategies and decision-making processes in SMEs;
- Governance and financing: tools to attract capital without losing control;
- Specific aspects such as sustainability, soft skills, and gender in the context of innovative financing tools;
- The role of financial intermediaries in risk management and financing performance;
- The role of investors in risk management and financing performance;
- Models and tools for fraud risk prevention;
- Models and tools for SME rating in innovative financing processes;
- Comparative studies on small business financing across different countries;
- Cross-country comparisons of innovative financing systems for small enterprises under multiple regulatory frameworks.

I look forward to receiving your contributions.

About the Journal

Message from the Editor-in-Chief

Welcome to *Administrative Sciences*, the journal aims to advance and communicate knowledge concerning management theory and practice both in public administration and in profit organizations; it encourages submissions that build on interdisciplinary research in related fields, such as business, economics, political science, gender studies, psychology, sociology, physiology, communication theory or artificial intelligence and their implications on management, organizations and the society. Join us on a journey through the *Administrative Sciences*, where management merges with innovation.

Editor-in-Chief

Prof. Dr. Isabel-María García-Sánchez

Department of Business Administration and Economics, Universidad de Salamanca, 37007 Salamanca, Spain
