

## Special Issue

# Research on the Role of Universities in Social Responsibility and Sustainability

### Message from the Guest Editors

We are seeking submissions for the Special Issue of *Administrative Sciences* on the Role of Universities in Social Responsibility and Sustainability. Topics might address:

- Specific SDGs contribution by universities;
- Corporate Social Responsibility and sustainable practices related decision-making by universities;
- Theoretical frameworks which explore the role of universities in the development of CSR and Sustainability.

We are most interested in:

- Empirical research which illustrates the value of universities adopting CSR and sustainable strategies and practices.
- Research which implements qualitative methodologies and mixed methods about the role

Deadlines for submissions: Manuscripts should be submitted online by December 31 2022 and should follow the Submission Guidelines. All submission will be subject to a double-blind review process.

## About the Journal

### Message from the Editor-in-Chief

Welcome to *Administrative Sciences*, the journal aims to advance and communicate knowledge concerning management theory and practice both in public administration and in profit organizations; it encourages submissions that build on interdisciplinary research in related fields, such as business, economics, political science, gender studies, psychology, sociology, physiology, communication theory or artificial intelligence and their implications on management, organizations and the society. Join us on a journey through the *Administrative Sciences*, where management merges with innovation.
