

Special Issue

Challenges and Opportunities in Management of Technology and Innovation

Message from the Guest Editor

This Special Issue highlights the on-going advancements in theory and practice on management of technology and innovation. Articles should address both strict and broad aspects, from firm-based to national system level, of innovation related topics. The Special Issue welcomes work that aims at bridging policy and management issues, as well as innovation capability and strategy of the firm, knowledge intensive entrepreneurship and business, geography and ecosystems of innovation.

About the Journal

Message from the Editor-in-Chief

Welcome to *Administrative Sciences*, the journal aims to advance and communicate knowledge concerning management theory and practice both in public administration and in profit organizations; it encourages submissions that build on interdisciplinary research in related fields, such as business, economics, political science, gender studies, psychology, sociology, physiology, communication theory or artificial intelligence and their implications on management, organizations and the society. Join us on a journey through the *Administrative Sciences*, where management merges with innovation.

Editor-in-Chief

Prof. Dr. Isabel-María García-Sánchez

Department of Business Administration and Economics, Universidad de Salamanca, 37007 Salamanca, Spain
