

Special Issue

Highly-Skilled Migrant Women Achievement and Contributions in Knowledge-Based Economies

Message from the Guest Editors

We are launching this call for papers with the aim of providing a focused Special Issue which could offer theoretical developments and empirical knowledge about the migration of highly skilled women in the knowledge-based economy from different disciplinary perspectives, so as to offer relevant recommendations for policy and practice...

About the Journal

Message from the Editor-in-Chief

Welcome to *Administrative Sciences*, the journal aims to advance and communicate knowledge concerning management theory and practice both in public administration and in profit organizations; it encourages submissions that build on interdisciplinary research in related fields, such as business, economics, political science, gender studies, psychology, sociology, physiology, communication theory or artificial intelligence and their implications on management, organizations and the society. Join us on a journey through the *Administrative Sciences*, where management merges with innovation.

Editor-in-Chief
