Fostering Student Entrepreneurship: Nascent and Active Entrepreneurs in Universities

Message from the Guest Editors

University students (from any field of study and education level) are becoming more and more interested in entrepreneurship, and some of them are willing to create their own businesses during their studies. Even if several studies have analyzed entrepreneurship education......

About the Journal

Message from the Editor-in-Chief

Welcome to *Administrative Sciences*, the journal aims to advance and communicate knowledge concerning management theory and practice both in public administration and in profit organizations; it encourages submissions that build on interdisciplinary research in related fields, such as business, economics, political science, gender studies, psychology, sociology, physiology, communication theory or artificial intelligence and their implications on management, organizations and the society. Join us on a journey through the *Administrative Sciences*, where management merges with innovation.
