Supply Chains in Developing Countries

Message from the Guest Editor

How consumers, businesses, and institutions get the supplies they need is vital to any economy, but especially in developing countries, where living standards are often low, infrastructure and legal frameworks weak, and economic prospects for citizens limited.....

About the Journal

Message from the Editor-in-Chief

Welcome to *Administrative Sciences*, the journal aims to advance and communicate knowledge concerning management theory and practice both in public administration and in profit organizations; it encourages submissions that build on interdisciplinary research in related fields, such as business, economics, political science, gender studies, psychology, sociology, physiology, communication theory or artificial intelligence and their implications on management, organizations and the society. Join us on a journey through the *Administrative Sciences*, where management merges with innovation.

Editor-in-Chief
