

Special Issue

Youth in Transition

Message from the Guest Editors

Adolescents is a peer-reviewed and open access journal abstracted and indexed by DOAJ and Scopus, with an ESCI score to be included in *Web of Science*. We have recently launched the Special Issue "**Youth in Transition**". We invite you to contribute a research article or a systematic review to this Special Issue. The Article Processing Charge (APC) will be CHF **1000**. This Special Issue will report evidence-based findings and current practice trends affecting adolescents before they transition into adulthood. Topics may include the following:

- Abused youth without placements;
- Community-based care;
- Kinship care;
- LGBTQ youth;
- Privatization of child protection services;
- Teens with developmental constraints;
- Transracial adoption.

Our Editorial Board consists of leading scholars and reviewers. Please find the journal's aims, instructions for authors, submission portal, and the MDPI Publication Ethics Statement at
