Message from the Guest Editors

Dear Colleagues,

This Special Issue welcomes original research and review articles that provide insights into all topics related to sustainable and circular horticulture. The scope of submission includes all aspects of sustainability (economic, environmental, and social) in horticulture, as well as the efficiency of resources, input and outputs, in different climatic conditions and agrosystems. Work related to reducing, reusing, recycling and recovering materials in the horticultural sector is welcome.

Prof. Dr. Silvana Nicola

Dr. Sara Di Lonardo

Message from the Editor-in-Chief

Agriculture (ISSN 2077-0472) is an international, crossdisciplinary and scholarly open access journal on the science and technology of crop and animal production, and management of the natural resource base for agricultural production. *Agriculture* is published in an open access format – research articles, reviews and other contents are released on the internet immediately after acceptance. The scientific community and the public have unlimited and free access to the content as soon as it is published.

Author Benefits

Open Access:— free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), AGRICOLA, AGRIS, RePEc, and many other databases.

Journal Rank: JCR - Q1 (*Agronomy*) / CiteScore - Q2 (*Agronomy and Crop Science*)
