Message from the Guest Editor

The focus of this Special Issue is on recent advances in the use of agrochemicals, which can be illustrated in contributions related to (but not limited to):

- Plant protection agents and biocides;
- Socio-economic aspects in agrochemical use and business aspects;
- Regulatory and registration updates in the use of agrochemicals;
- Recent advances on the use of agrochemicals;
- Novel technologies on the use of agrochemicals, incl. fertilizers, plant growth regulators, etc.;
- Safety issues and related risk management, residues of agrochemicals;
- Public perception and consumers' acceptance of the use of agrochemicals.

We kindly invite you to submit papers to this Special Issue, which will further illuminate and unfold the potential of agrochemicals.
