

Plant Production and Microorganism Potential in Modern Agro-Ecosystems

Guest Editors:

Dr. Agnieszka Wolna-Maruwka

Department of Soil Science and Microbiology, Poznan University of Life Sciences, 60-656 Poznan, Poland

Prof. Dr. Jean Diatta

Department of Agricultural Chemistry and Environmental Biogeochemistry, Poznan University of Life Sciences, Wojska Polskiego 71F, 60-625 Poznan, Poland

Dr. Justyna Starzyk

Department of Soil Science and Microbiology, Poznan University of Life Sciences, 60-656 Poznan, Poland

Message from the Guest Editors

In this Special Issue, we encourage you to submit your reports on the following topics:

1. Innovative plant production practices and techniques;
2. Biodiversity and potential biotechnological applications of microorganisms in sustainable agriculture;
3. Eco-farming as a strategy for food production and protection of environmental biodiversity;
4. The influence of fertilization on the efficiency of water use by crops in the light of climate change;
5. Decision support tools and modeling.

Deadline for manuscript submissions:

closed (15 December 2022)

an Open Access Journal by MDPI

Wine, University of Adelaide,
Urrbrae, SA 5064, Australia

Message from the Editor-in-Chief

Agronomy draws together researchers from diverse areas of agricultural research with a common aim of enhancing agricultural productivity globally. The journal provides unlimited free access to all those interested in advancing agricultural science from both the research and general community. Papers are released immediately after acceptance through the internet. *Agronomy* is supported by our authors and their institutes through low article processing charges (APC) for accepted papers. We hope you will support the journal by becoming one of our authors.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubAg, AGRIS, and other databases.

Journal Rank: JCR - Q1 (*Agronomy*) / CiteScore - Q1 (*Agronomy and Crop Science*)
