

Dear Colleagues,

As Editor-in-Chief of *Algorithms*, I am pleased to announce the winner of the *2016 Algorithms Travel Award*:

Fabrizio Montecchiani, Postdoc fellow at the University of Perugia, whose research focuses on graph drawing, information visualization, algorithm engineering and computational geometry. He is planning to present his work «On Visibility Representations of Non-Planar Graphs» at the 32nd International Symposium on Computational Geometry (SoCG 2016). The award consists of 800 Swiss Francs to attend this conference.

Henning Fernau,
Editor-in-Chief

2016 TRAVEL AWARD WINNER

Algorithms (ISSN 1099-4893) is an international open access journal, which provides an advanced forum for studies related to algorithms and their applications, published quarterly online by MDPI.

Please find more information on *Algorithms* here: mdpi.com/journal/algorithms

The competition for 2017 *Algorithms Travel Award* will be opened in April 2017. Please check mdpi.com/journal/algorithms for more information closer to this date.
