

algorithms

Dear Colleagues,

As the Editor-in-Chief of *Algorithms*, I am pleased to announce the winners of the *Algorithms* 2019 Best Paper Awards. The award recipients will each receive a certificate and 500 Swiss francs (CHF). The winners are as follows:

Hendrik Santosa, Xuetong Zhai, Frank Fishburn, Theodore Huppert, USA
Paper: The NIRS Brain AnalyzIR Toolbox (doi.org/10.3390/a11050073)

Waldemar Kaiser, Johannes Popp, Michael Rinderle, Tim Albes, Alessio Gagliardi, Germany
Paper: Generalized Kinetic Monte Carlo Framework for Organic Electronics (doi.org/10.3390/a11040037)

ALGORITHMS 2019 BEST PAPER AWARD WINNERS

The Evaluation Committee believes that the above papers represent a valuable contribution to *Algorithms*. We congratulate the authors and thank them for selecting *Algorithms* to publish their work.
