Recent Advances in Allergic Rhinitis

Message from the Guest Editors

We would like to draw your attention to a new Special Issue in *Allergies* entitled “Recent Advances in Allergic Rhinitis”. We invite you to submit your recent research or review article, with your preferred title, exploring recent advances of allergic rhinitis (AR) research. We hope to receive original research and review articles concerning medical treatment, immunotherapy, innate immunity contribution to pathologies of AR, modification of allergic inflammation with TLR ligands, and cross talk of allergic rhinitis and chronic rhinitis. If you submit a paper and it is accepted for publication after peer review we will publish it *free of charge*. Please let us know if you are interested in submitting work to this Special Issue.
