University of Aveiro, Campus de  
Santiago, 3810-193 Aveiro,  
Portugal

### Message from the Guest Editors

Wild ungulates are zoonotic disease reservoirs and sentinel species, providing early warnings for human, animal, and environmental health risks. They are ideal bioindicators due to their widespread presence, increasing numbers, large ranges, and overlap with humans and livestock. Infectious diseases in ungulates, like African swine fever in European wild boar, necessitate an integrated approach considering ecological factors. This Special Issue aims to explore the implications of wildlife-human interactions and the role of wild ungulates in disease dynamics under the One Health framework, promoting understanding and research in this crucial area.

Deadline for manuscript  
submissions:

**closed (10 February 2025)**

## Editor-in-Chief

### Prof. Dr. Clive J. C. Phillips

1. Curtin University Sustainable Policy (CUSP) Institute, Curtin University, Kent St., Bentley, Western Australia 6102, Australia  
2. Former Foundation Professor of Animal Welfare, University of Queensland and Foundation Director, Centre for Animal Welfare and Ethics, University of Queensland, Brisbane, Australia

## Message from the Editor-in-Chief

*Animals* is an on-line open access journal that was first published in 2011. *Animals* adheres to rigorous peerreview and editorial processes and publishes only high quality manuscripts that address important issues in the many varied disciplines that involve animals, with a focus on animal science, animal welfare and animal ethics. *Animals* is covered in the Science Citation Index Expanded (SCIE) in Web of Science, with the latest Impact Factor: 2.7 (2024, ranks 15/86 (Q1) in 'Agriculture, Dairy & Animal Science'; 21/170 (Q1) in 'Veterinary Sciences'), 5-Year Impact Factor: 3.2.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, PubAg, AGRIS, Animal Science Database, CAB Abstracts, and other databases.

**Journal Rank:** JCR - Q1 (Veterinary Sciences) / CiteScore - Q1 (General Veterinary)
