Animals is an on-line open access journal that was first published in 2011. Animals adheres to rigorous peerreview and editorial processes and publishes only high quality manuscripts that address important issues in the many varied disciplines that involve animals, with a focus on animal welfare, animal ethics and animal science. Animals is covered in the Science Citation Index Expanded (SCIE) in Web of Science and received a first Impact Factor of 1.654. The journal ranks 13/60 (Q1) in the category ‘Agriculture, Dairy & Animal Science’ and 29/140 (Q1) in ‘Veterinary Sciences.’
