### Message from the Guest Editors

Effective means that can limit or prevent multiple types of infectious agents by targeting prevention methods to improve avian welfare and ensure consumer safety are urgently required.

This special issue seeking to publish original research papers, case studies, and review articles focusing on the latest advances in poultry nutrition toward strengthening the gut functional status.

Researchers are invited to submit papers investigated cross-talk between the feed ingredients and the host gut response with their further implication in mediation birds health.

Deadline for manuscript  
submissions:

**31 August 2021**

## Editor-in-Chief

### Prof. Clive J. C. Phillips

1. Curtin University Sustainable Policy (CUSP) Institute, Curtin University, 6845 Perth, Australia  
2. Former Foundation Professor of Animal Welfare, University of Queensland and Foundation Director, Centre for Animal Welfare and Ethics, University of Queensland, Australia

## Message from the Editor-in-Chief

*Animals* is an online open access journal that was first published in 2011. *Animals* adheres to rigorous peer review and editorial processes and publishes only high quality manuscripts that address important issues in the many varied disciplines that involve animals, with a focus on animal welfare, animal ethics and animal science. *Animals* is covered in the Science Citation Index Expanded (SCIE) in Web of Science and received the latest Impact Factor of 2.323. The journal ranks 14/142 (Q1) 'Veterinary Sciences' and 10/63 (Q1) in 'Agriculture, Dairy & Animal Science'

## Author Benefits

**Open Access:**—free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed by the Science Citation Index Expanded (Web of Science) from Vol. 5 (2015), Zoological Record (Web of Science) and Scopus. Citations available in PubMed, full-text archived in PubMed Central.

**Rapid Publication:** manuscripts are peer-reviewed and a first decision provided to authors approximately 16.3 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the second half of 2020).
