# Dairy Cattle Herds Management: Methods and Perspectives

Message from the Guest Editor

The role of herd management and herd health is becoming increasingly important and has to meet the challenges of balancing high yield and reproductive performance, rearing healthy animals during their entire life, decreasing the number of the diseases in cows, and preventing the spread of germs that may influence human health.

Original manuscripts that address any aspects of herd management are invited in this Special Issue. Topics of special interest are how the management of the dairy herds will develop to be able to decrease subclinical diseases, limit the use of antibiotics, and implement onfarm methods to analyze health status and production of dairy cows. Additional topics may include effects of proper herd management on the environment or climate.

# **About the Journal**

### Message from the Editor-in-Chief

Animals is an on-line open access journal that was first published in 2011. Animals adheres to rigorous peerreview and editorial processes and publishes only high quality manuscripts that address important issues in the many varied disciplines that involve animals, with a focus on animal science, animal welfare and animal ethics. Animals is covered in the Science Citation Index Expanded (SCIE) in Web of Science, with the latest Impact Factor: 2.7 (2024, ranks 15/86 (Q1) in 'Agriculture, Dairy & Animal Science'; 21/170 (Q1) in 'Veterinary Sciences'), 5-Year Impact Factor: 3.2.

#### Editor-in-Chief

Prof. Dr. Clive J. C. Phillips

Institute of Veterinary Medicine and Animal Sciences, Estonian University of Life Sciences, Kreutzwaldi 1, 51014 Tartu, Estonia
 Curtin University Sustainability Policy (CUSP) Institute, Kent St., Bentley 6102, Australia

#### **Author Benefits**

#### **Open Access:**

free for readers, with article processing charges (APC) paid by authors or their institutions.

#### **High Visibility:**

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, PubAg, AGRIS, Animal Science Database, CAB Abstracts, and other databases.

### **Journal Rank:**

JCR - Q1 (Veterinary Sciences) / CiteScore - Q1 (General Veterinary)
