

Special Issue

Diseases of the Small and Large Intestine, Liver and Pancreas in Small Animals: Second Edition

Message from the Guest Editors

This Special Issue welcomes a wide range of research articles related to small animal gastroenterology. We welcome papers from any field related to diseases of the intestine, liver, and pancreas in small animals, such as clinical and clinicopathological markers, interactions between the diet, microbiota, and gut, metabolomics, ultrasonography, and advanced imaging, interventional radiology, novel treatments, and comparative pathologies. Intestinal, pancreatic, and hepatic diseases present a daily challenge for clinicians worldwide; small animal gastroenterology is still one of the fastest-growing research fields with new diagnostic and prognostic markers and therapeutic strategies for various intestinal, pancreatic, and liver diseases.

About the Journal

Message from the Editor-in-Chief

Animals is an on-line open access journal that was first published in 2011. *Animals* adheres to rigorous peerreview and editorial processes and publishes only high quality manuscripts that address important issues in the many varied disciplines that involve animals, with a focus on animal science, animal welfare and animal ethics. *Animals* is covered in the Science Citation Index Expanded (SCIE) in Web of Science, with the latest Impact Factor: 2.7 (2024, ranks 15/86 (Q1) in 'Agriculture, Dairy & Animal Science'; 21/170 (Q1) in 'Veterinary Sciences'), 5-Year Impact Factor: 3.2.

Editor-in-Chief

Prof. Dr. Clive J. C. Phillips

1. Institute of Veterinary Medicine and Animal Sciences, Estonian University of Life Sciences, Kreutzwaldi 1, 51014 Tartu, Estonia
2. Curtin University Sustainability Policy (CUSP) Institute, Kent St., Bentley 6102, Australia

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, PubAg, AGRIS, Animal Science Database, CAB Abstracts, and other databases.

Journal Rank:

JCR - Q1 (Veterinary Sciences) / CiteScore - Q1 (General Veterinary)
