

Special Issue

New Insights in Human-Animal Relationship: Emotions and Welfare

Message from the Guest Editors

This Special Issue aims at collecting original contributions and literature reviews on human–animal relationships, with a specific focus on the physiological, cognitive, and behavioral parameters related to animal emotions, in order to provide new evidence on the effect of human–animal interactions on animal welfare, also with reference to the safety and security of people working with animals in different contexts.

Guest Editors

Dr. Serenella D'Ingeo

Prof. Dr. Angelo Quaranta

Prof. Dr. Marcello Siniscalchi
