

Special Issue

Working Animals: Welfare, Ethics, and Human-Animals Relationship—2nd Edition

Message from the Guest Editors

Innovative papers from different research areas, such as the behavior and welfare of working animals, computer video analysis, sport exercise animal physiology, dog olfaction science, human–working animal relationship, animal-assisted intervention issues, and veterinary medicine, are invited to contribute to this Special Issue, which aims to collate the latest advances in the welfare and ethics issues of working with animals.

Interdisciplinary studies will be considered, especially those regarding (but not limited to):

- Search and rescue dogs;
- Detection dogs;
- Herding and hunting dogs.
- Animals involved in assistance/service to humans;
- Human–working animal relationship;
- Transport animals;
- Ethical issues related to working animals.
