Pestes des Petits Ruminants: Five Years Implementation of Its Global Eradication Programme

Message from the Guest Editors

The Peste des Petits Ruminants (PPR) Global Control and Eradication Strategy was established in 2015 with the aim of global PPR freedom by 2030. Over the last 5 years, several activities were implemented at all levels. This Special Issue on PPR will consider all activities undertaken including research toward the vision of a PPR-free world by 2030.
