Dear Colleagues,

We are pleased to announce the winner of the *2018 Antioxidants Travel Awards*. The Award has been granted to: **Elizabeth Bromfield**, a postdoctoral researcher at the University of Newcastle, Australia. Her work is focused on the effect of oxidative stress on protein homeostasis in developing germ cells. The Award consisted of **800 Swiss Francs**, to attend an academic conference of her choice in 2018. We would like to thank all the applicants for submitting their fascinating and diverse range of research topics.

Yours sincerely,

Prof. Dr. Stanley Omaye
