

Special Issue

Feature Papers in *AppliedMath*

Message from the Guest Editor

As Editor-in-Chief of *AppliedMath*, I am pleased to announce the Special Issue "Feature Papers in *AppliedMath*", which will be a collection of high-quality papers (original research articles or comprehensive reviews) from top academics addressing the interdisciplinary nature of Applied Mathematics. I welcome the submission of manuscripts from Editorial Board Members, and from outstanding scholars invited by the Editorial Board and the Editorial Office, related to any of the topics covered in the scope of the journal: <https://www.mdpi.com/journal/appliedmath>. You are invited to send short proposals for submissions to our Editorial Office (appliedmath@mdpi.com) for evaluation. Please note that selected full papers will still be subject to a thorough and rigorous peer-review.

About the Journal

Message from the Editor-in-Chief

Mathematics permeates all kinds of academic worlds and is a fountain flowing with innovative development. The journal *AppliedMath*, publishing high-quality refereed papers discussing various aspects of applied mathematics, is dedicated to promoting the integration of mathematics with applied disciplines to cultivate a profitable frontier of mathematics. The journal highlights articles devoted to the mathematical treatment of questions and phenomena arising in physics, chemistry, biology, medicine, pharmacy, engineering, information science, social sciences, and humanities. One of the missions of this journal is to serve scientists by quickly announcing the seeds of significant mathematical breakthroughs in science and technology.
