

Special Issue

Feature Papers in Material Mechanics

Message from the Guest Editors

We are pleased to announce that Applied Mechanics is now compiling a collection of outstanding papers in the field of material mechanics. We welcome contributions from the material mechanics research community, as well as recommendations from Editorial Board Members. The purpose of this Special Issue is to publish a set of papers that typify the most exceptional, insightful, influential, and original research articles or reviews. We expect these papers to be widely read and highly influential within the field. All papers in this Special Issue will be collated into a printed book after the deadline and will be promoted.
