Editorial Board Members' Collection Series: Bioactive Nanomaterials for Antimicrobial and Antiviral Applications

Message from the Guest Editors

We are pleased to announce this Special Issue collection titled "Editorial Board Members' Collection Series: Bioactive Nanomaterials for Antimicrobial and Antiviral Applications". This Issue will be a collection of papers from our Editorial Board Members and researchers invited by the Editorial Board Members. The aim is to provide a venue for networking and communication between *Applied Nano* and scholars in the field of bioactive nanomaterials. All papers will be fully open access upon publication after peer review.
