### **Message from the Guest Editors**

The aim of this Special Issue of Applied Sciences is to present current original research articles as well as review articles focused on drying technologies in food processing with particular attention to osmotic dehydration process.

- drying
- osmotic dehydration
- traditional and innovative processes
- food quality
- shelf life
- functional products

Dr. Magdalena Dadan

Dr. Urszula Tylewicz

Dr. Malgorzata Nowacka

*Guest Editors*

Deadline for manuscript  
submissions:

**31 December 2021**
