Special Issue

Advances in Particle and Powder Technology: Theory, Methods, and Applications

Message from the Guest Editor

We are pleased to invite researchers to submit their work to this Special Issue, "Advances in Particle and Powder Technology: Theory, Methods, and Applications", which aims to highlight recent developments in particle and powder technology. This Special Issue will focus on theoretical, numerical, and experimental advancements related to the behavior, handling, and processing of granular and powdered materials.

Guest Editor

Dr. Dmitry Portnikov

About the Journal

Message from the Editor-in-Chief

As the world of science becomes ever more specialized, researchers may lose themselves in the deep forest of the ever increasing number of subfields being created. This open access journal Applied Sciences has been started to link these subfields, so researchers can cut through the forest and see the surrounding, or quite distant fields and subfields to help develop his/her own research even further with the aid of this multi-dimensional network.

Editor-in-Chief

Prof. Dr. Giulio Nicola Cerullo
Dipartimento di Fisica, Politecnico di Milano, Piazza L. da Vinci 32, 20133 Milano, Italy

Author Benefits

Open Access:
free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:
indexed within Scopus, SCIE (Web of Science), Ei Compendex, Inspec, CAPlus / SciFinder, and other databases.

Journal Rank:
JCR - Q2 (Engineering, Multidisciplinary) / CiteScore - Q1 (General Engineering)
