

Special Issue

Interdisciplinary Approaches and Applications of Optics & Photonics, 2nd Edition

Message from the Guest Editors

The 7th International Conference on Applications of Optics and Photonics, AOP2026, will be held in Lisbon (Portugal), July 7–10, 2026, organized by the Portuguese Society for Optics and Photonics. Since its first iteration back in 2011, the AOP conference has fostered, in an open, friendly, and stimulating environment, the establishment of a wide range of cooperative projects and relationships with colleagues and institutions involved in research and education in optics and photonics from across the globe. Open to contributions from all domains of optics and photonics and application fields, with this conference, we expect to review the state of the art in these subjects and predict and discuss the future of optics and photonics research. A large number of plenary and keynote lectures by world-renowned researchers in all fields of optics and photonics will contribute to the high quality of this conference's varied and exciting scientific program.

Guest Editors

Dr. Manuel Filipe P. C. M. Costa

Center of Physics of the Universities of Minho and Porto, School of Sciences, University of Minho, 4710-057 Braga, Portugal

Dr. Sandra Franco

About the Journal

Message from the Editor-in-Chief

As the world of science becomes ever more specialized, researchers may lose themselves in the deep forest of the ever increasing number of subfields being created. This open access journal Applied Sciences has been started to link these subfields, so researchers can cut through the forest and see the surrounding, or quite distant fields and subfields to help develop his/her own research even further with the aid of this multi-dimensional network.

Editor-in-Chief

Prof. Dr. Giulio Nicola Cerullo
Dipartimento di Fisica, Politecnico di Milano, Piazza L. da Vinci 32,
20133 Milano, Italy

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), Ei Compendex, Inspec, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Engineering, Multidisciplinary) / CiteScore - Q1 (General Engineering)
