

Special Issue

Feature Papers in Aquaculture 2022

Message from the Guest Editors

This Special Issue titled “Feature Papers in Aquaculture” is designed to celebrate the founding of the open-access journal *Aquaculture Journal* (ISSN 2673-9496, <https://www.mdpi.com/journal/aquacj>). The scope of this Special Issue covers all aspects of aquaculture-related aquatic science, including aquatic organisms, aquatic animal nutrition, aquatic environments, organic aquaculture, aquatic-related industries, techniques/technologies applied in aquatic resources and environments, etc. This Special Issue will comprise a collection of high-quality papers published free of charge in open-access form by Editorial Board Members and authors personally invited by the and Editorial Office. Both original research articles and comprehensive review papers are welcome.
