Dear Colleagues,

As Editor-in-Chief of *Atmosphere*, I am pleased to announce the winners of the *Atmosphere* 2021 Travel Awards.

2021 TRAVEL AWARD WINNERS

The awards have been granted to Dr. Charbel Harb, a Ph.D. student at Civil and Environmental Engineering, Virginia Tech, USA, and Dr. Jibran Khan, a post-doctoral fellow at the Department of Environmental Science, Aarhus University, Roskilde. With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting details of their research, collectively representing a diverse and fascinating range of research topics. On behalf of the Assessment Committee, I congratulate the winners on their accomplishments.
