2. Department of Differential Equations, Sofia University, 1164 Sofia, Bulgaria

Dr. Khaled Zennir

Department of Mathematics, College of Sciences and Arts, Qassim University, Ar-Rass 51921, Saudi Arabia

Message from the Guest Editors

The Special Issue "Advances in Stochastic Differential Equations" is aimed at providing a platform for the publication of relevant research articles covering all aspects of stochastic differential equations, stochastic partial differential equations, the super-symmetric theory of stochastic differential equations, applications in disciplines such as chaos, turbulence, self-organized criticality, probability theory as well as numerical methods for use in the solving of stochastic differential equations and stochastic partial differential equations.

Deadline for manuscript submissions:

closed (20 February 2023)

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Humberto Bustince

Department of Statistics,
Computer Science and
Mathematics, Public University of
Navarra, 31006 Pamplona, Spain

Message from the Editor-in-Chief

Axioms is dedicated to the foundations (structure and axiomatic basis, in particular) of mathematical theories, not only from a crisp or strictly classical sense, but also from a fuzzy and generalized sense. This includes the more innovative current scientific trends, devoted to discover and solve new challenging problems. The prime goal of *Axioms* is to publish first-class, original research articles under an open access policy with minimal fees for the authors. We would be pleased to welcome you as one of our authors.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High visibility: indexed within SCIE (Web of Science), dblp, and other databases.

Journal Rank: JCR - Q2 (Mathematics, Applied)
