Deadline for manuscript submissions:
closed (30 September 2021)

Message from the Guest Editors

Dear Colleagues,

We invite you to submit your research papers in the field of modern mathematical physics problems to this Special Issue, entitled "Modern Problems of Mathematical Physics and Their Applications", of the journal *Axioms*. We seek studies on new and innovative approaches to solving mathematical physics problems in linear and nonlinear forms. We also aim to cover high-dimensional problems and systems of equations. We welcome submissions presenting new theoretical results, structural investigations, new models and algorithmic approaches, and new applications of mathematical physics problems.

Prof. Dr. Davron Aslonqulovich Juraev
