

batteries

Dear Colleagues,

We are pleased to announce that *Batteries* will be granting the Travel Award to one junior scientist. Applications will be assessed by an Evaluation Committee consisting of senior scholars from the *Batteries* Editorial Board.

This award provides financial support for the winner to attend an international conference on a field related to batteries and electrical energy storage systems to be held in 2023, in order to hold a presentation, present a poster, or both.

2023 TRAVEL AWARD

FOR POSTDOCTORAL FELLOWS OR PHD STUDENTS

Candidate Requirements:

- Postdoctoral fellows or PhD students;
- Plans to attend an international conference in 2023 (oral presentation or poster).

Required Application Documents:

- Information of the conference the applicant is planning to attend and the abstract that will be submitted;
- Curriculum vitae and a list of publications;
- Justification letter describing the focus of the research (max. 800 words);
- Letter of recommendation from the supervisor, research director, or department head, which also confirms the applicant's status as a postdoctoral fellow/ PhD student.

The winner (one awardee) will be awarded CHF 500 and a certificate.

Please submit your applications for the *Batteries* 2023 Travel Award online by 31 January 2023. Prizes will be awarded at the end of March 2023 and announced on the *Batteries* website.
