

Special Issue

Selected Papers from the 2019 Singapore Conference on Applied Psychology (SCAP 2019)

Message from the Guest Editor

Psychology encompasses a broad range of interests and areas of investigation. This Special Issue includes a variety of research presented at the 2019 Singapore Conference on Applied Psychology (SCAP 2019), organized by East Asia Research and supported by the Singapore University of Technology and Design and the University of Derby, UK. Researchers and practitioners from all fields of psychology discuss the most recent innovations, trends, concerns and practical challenges encountered and the solutions adopted in the field of applied psychology within an international context.
