Message from the Guest Editor

Dear Colleagues,

I would like to invite you to submit manuscripts for a Special Issue of *Beverages* that will focusing on “Membrane Technology: Beverage Industry Applications.”

Topics to be considered for inclusion in the Special Issue include, but are not limited to:

- Review of the current status of membrane use in the beverage industry
- Membrane based innovations currently being explored by the beverage industry
- Production/modification of ingredients, including water, used in the production of beverages
- Possible future uses of membranes
- Use of membranes in process such as reuse of cleaning solutions, water recovery and waste stream reduction
