

## Special Issue

# Developments in Brewing Processing and Analytical Techniques for the Evaluation of Beer Quality

### Message from the Guest Editor

The world of beer, both craft and industrial, is constantly evolving and always provides new growth stimuli to producers, researchers, and consumers. Despite several contributions investigating beer-related topics, much remains to be considered. Therefore, you and your colleagues are invited to submit research articles, reviews, short communications, and technical reports containing experimental and theoretical results.

### Guest Editor

Dr. Antonietta Baiano

Dipartimento di Scienze Agrarie, Alimenti, Risorse Naturali e Ingegneria (DAFNE), Università di Foggia, Via Napoli 25, 71122 Foggia, Italy

### Deadline for manuscript submissions

closed (15 May 2025)

## About the Journal

### Message from the Editor-in-Chief

---

#### Editor-in-Chief

Prof. Dr. Edgar Chambers IV  
Center for Sensory Analysis and Consumer Behavior, Kansas State  
University, Manhattan, KS 66506, USA

---

#### Author Benefits

##### High Visibility:

indexed within Scopus, ESCI (Web of Science), FSTA,  
CAPlus / SciFinder, PubAg, and other databases.

##### Journal Rank:

CiteScore - Q2 (Food Science)

##### Rapid Publication:

manuscripts are peer-reviewed and a first decision is  
provided to authors approximately 24.1 days after  
submission; acceptance to publication is undertaken in 6.6  
days (median values for papers published in this journal in  
the first half of 2025).
