

Special Issue

Membrane Technology: Beverage Industry Applications

Message from the Guest Editor

I would like to invite you to submit manuscripts for a Special Issue of *Beverages* that will focusing on “Membrane Technology: Beverage Industry Applications.” Topics to be considered for inclusion in the Special Issue include, but are not limited to:

- Review of the current status of membrane use in the beverage industry
- Membrane based innovations currently being explored by the beverage industry
- Production/modification of ingredients, including water, used in the production of beverages
- Possible future uses of membranes
- Use of membranes in process such as reuse of cleaning solutions, water recovery and waste stream reduction

Guest Editor

Dr. Karen Smith

Center for Dairy Research, University of Wisconsin-Madison, USA
