Featured Papers in Computer Methods in Biomedicine

Message from the Guest Editors

The journal *Bioengineering* would like to compile a collection of papers to report on the advancements in the field of computer methods in biomedicine. The aim of this Special Issue, entitled *Featured Papers in Computer Methods in Biomedicine*, is to make relevant work known to our colleagues in the field. To achieve this, the Special Issue, edited by Prof. Luca Mesin and Prof. Yuling Yan, invites scientists to submit research articles, review articles, and short communications focused on this topic. We look forward to your valued contributions to make this Special Issue a reference resource for future researchers in the field of computer methods in biomedicine.

About the Journal

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Bioengineering* (ISSN 2306-5354). *Bioengineering* is published in open access format – research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited and free access to the content as soon as it is published. *Bioengineering* provides an advanced forum for the science and technology of bioengineering. We would be pleased to welcome you as one of our authors.

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, CAPIus / SciFinder, Inspec, and other databases.

Journal Rank:

JCR - Q2 (Engineering, Biomedical) Rapid Publication: manuscripts are peer-reviewed and a first decision is provided to authors approximately 19.2 days after submission; acceptance to publication is undertaken in 3.3 days (median values for papers published in this journal in the first half of 2025).

Recognition of Reviewers:

reviewers who provide timely, thorough peer-review reports receive vouchers entitling them to a discount on the APC of their next publication in any MDPI journal, in appreciation of the work done.
