Women's Special Issue Series: Biochemical Engineering

Message from the Guest Editors

Dear colleagues, This Special Issue is part of the MDPI journal initiative to promote and support the contributions of women in research. We cordially invite researchers to submit their work on topics across all areas of “Biochemical Engineering”. Both original research articles and comprehensive review papers are welcome. For this Special Issue, we welcome all research led by female scientists, where male scientists may offer support for the initiative as co-authors.

About the Journal

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Bioengineering* (ISSN 2306-5354). *Bioengineering* is published in open access format – research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited and free access to the content as soon as it is published. *Bioengineering* provides an advanced forum for the science and technology of bioengineering. We would be pleased to welcome you as one of our authors.
