Message from the Guest Editors

Dear Colleagues,

After the success of the previous Special Issue, “Diversity of Soil Fungal Communities”, we are glad to invite researchers to contribute to its second edition. Similarly, the aim of this Special Issue is to collect a series of articles related to fungal diversity in all possible terrestrial environments.

Dr. Fabiana Canini

Prof. Dr. Laura Zucconi

Message from the Editorial Board

A major strength of biological science is the diversity of approaches that biological scientists apply to their research problems. *Biology* reflects this diversity and brings together studies employing the varied experimental and theoretical approaches that are fueling biological discovery. *Biology*, the journal, is a fully peer-reviewed publication with a rapid and economical route to open access publication and is listed on PubMed. All articles are peer-reviewed and the editorial focus is on determining that the work is scientifically sound rather than trying to predict its future impact.

Author Benefits

Open Access:— free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, PMC, PubAg, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q1 (*Biology*) / CiteScore - Q1 (*General Agricultural and Biological Sciences*)
