

Special Issue

Epigenetic and Genetic Control of Sperm Development and Function: From Fertility to Inheritance

Message from the Guest Editor

This Special Issue aims to gather original research articles and reviews focusing on epigenetic regulation during sperm development, the impact of environmental and lifestyle factors on the sperm epigenome, and the implications of epigenetic inheritance for offspring health. We welcome contributions exploring molecular mechanisms, model systems, and translational approaches that expand our knowledge of sperm epigenetics and its relevance in reproduction and beyond.

Guest Editor

Dr. Candela Rocío González

Instituto de Investigaciones Farmacológicas, Buenos Aires, Argentina

Deadline for manuscript submissions

30 April 2026

About the Journal

Message from the Editorial Board

A major strength of biological science is the diversity of approaches that biological scientists apply to their research problems. *Biology* reflects this diversity and brings together studies employing the varied experimental and theoretical approaches that are fueling biological discovery. *Biology*, the journal, is a fully peer-reviewed publication with a rapid and economical route to open access publication and is listed on PubMed. All articles are peer-reviewed and the editorial focus is on determining that the work is scientifically sound rather than trying to predict its future impact.

Editors-in-Chief

Prof. Dr. Jukka Finne

Research Programme in Molecular and Integrative Biosciences, Faculty of Biological and Environmental Sciences, University of Helsinki, P.O. Box 56, FI-00014 Helsinki, Finland

Prof. Dr. Andrés Moya

Integrative Systems Biology Institute, University of Valencia and CSIC, 46980 Valencia, Spain

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, PubAg, CAPus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biology) / CiteScore - Q1 (General Agricultural and Biological Sciences)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 17.4 days after submission; acceptance to publication is undertaken in 2.5 days (median values for papers published in this journal in the first half of 2025).
