Featured Student Papers

Message from the Collection Editor

Papers first-authored by a student can be highlighted in our 'Featured Student Papers' collection. For consideration, the first author needs to be certified as a current student upon manuscript submission. A yearly prize of 400 CHF will be given to the author of the best Featured Student Paper, as chosen by the editors.

About the Journal

Message from the Editorial Board

A major strength of biological science is the diversity of approaches that biological scientists apply to their research problems. *Biology* reflects this diversity and brings together studies employing the varied experimental and theoretical approaches that are fueling biological discovery. *Biology*, the journal, is a fully peer-reviewed publication with a rapid and economical route to open access publication and is listed on PubMed. All articles are peer-reviewed and the editorial focus is on determining that the work is scientifically sound rather than trying to predict its future impact.
