

## Special Issue

# Gene Therapy for Hereditary Diseases

### Message from the Guest Editor

This Special Issue is devoted to explorations of gene therapy for inherited genetic diseases with a focus on best practices for systemic and tissue-specific diseases. This issue will emphasize head-to-head comparisons of different vector systems and head-to-head efficacy comparisons between episomal versus integrating gene therapies.

### Guest Editor

Dr. Michael A. Barry

Departments of Medicine, Immunology, and Molecular Medicine, Mayo Clinic, Rochester, MN 55905, USA

### Deadline for manuscript submissions

closed (31 October 2019)

## About the Journal

### Message from the Editor-in-Chief

*Biomedicines* (ISSN 2227-9059) is an open access journal devoted to all aspects of research on human health and disease, the discovery and characterization of new therapeutic targets, therapeutic strategies, and research of naturally driven biomedicines, pharmaceuticals, and biopharmaceutical products. Topics include pathogenesis mechanisms of diseases, translational medical research, biomaterial in biomedical research, natural bioactive molecules, biologics, vaccines, gene therapies, cell-based therapies, targeted specific antibodies, recombinant therapeutic proteins, nanobiotechnology driven products, targeted therapy, bioimaging, biosensors, biomarkers, and biosimilars. The journal is open for publication of studies conducted at the basic science and preclinical research levels. We invite you to consider submitting your work to *Biomedicines*, be it original research, review articles, or developing Special Issues of current key topics.

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, CAPus / SciFinder, and other databases.

#### Journal Rank:

JCR - Q1 (Pharmacology and Pharmacy) / CiteScore - Q1 (Medicine (miscellaneous))

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 17 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the first half of 2025).
