Editorial Board Members' Collection Series: Bioinspired Sensorics, Information Processing and Control

Message from the Guest Editors

We are pleased to announce a new Special Issue collection titled "Editorial Board Members' Collection Series: Bioinspired Sensorics, Information Processing and Control", which will collect papers invited by the Editorial Board Members. The aim of this collection is to provide a venue for networking and communication between *Biomimetics* and scholars in the field of bioinspired sensorics, information processing and control. All papers will be published in open-access format following peer review.
