2023 YOUNG INVESTIGATOR AWARD

Dear Colleagues,

We are pleased to announce that *Biomolecules* is now inviting nominations for the *Biomolecules* 2023 Young Investigator Award. This prize will be given to one young investigator in recognition of their excellence in the field of structures and functions of bioactive and biogenic substances, molecular mechanisms with biological and medical implications as well as biomaterials and their applications. All nominations will be assessed by an Award Evaluation Committee led by the Editor-in-Chief, Prof. Dr. Vladimir N. Uversky.

The Prize:

- CHF 2000;
- Option to publish one paper free of charge in *Biomolecules* after peer review before the end of December 2024;
- An electronic certificate.

Eligibility and Requirements:

- Must have received their PhD no more than 10 years prior to 31 December 2023;
- Must have produced ground-breaking research and made a significant contribution to the advancement of research field;
- Candidates must be nominated by senior scientists.

List of Documents for Nomination:

- Detailed Curriculum Vitae, including an updated publication list and a list of the researcher's own research grants;
- Scanned copy of doctorate certificate;
- Signed nomination letters from two established senior scientists.

Schedule:

- Nomination deadline: 31 December 2023
- Winner announcement: 17 April 2024

How to submit nominations?

The nominations must be submitted online.
